Fiscal Responsibility

In February 2024, councillors voted to upgrade to business class travel.

Costing ratepayers $85,746.52 on airfare and accommodation in 2024/25.

As a ratepayer, this has never sat well with me.

During my term as Lord Mayor; if travel is needed to perform my duties, I pledge to **ALWAYS** travel the most economical and responsible route.

Supporting Seniors

Perth is increasingly a place to retire and downsize. As our population ages, we must be proactive.

I will maintain pension card holder **discount** on **Council Rates** while I am Lord Mayor.

With my General Practice background, I will promote walking, exercise, and safe, accessible footpaths and roads.

Inclusive Leadership

After nearly five years on council, I know what it takes to get things done.

Politics is a **team game**, there are nine votes in the chamber.

This election is **not about me**, but about who I can **bring** on this journey with me.

I will bring **expertise** and **authority** on both safety and health of all residents I hope to look after.
