I'm an **East Perth resident** and city worker in Rail Infrastructure, a Justice of the Peace, qualified Town Planner and Project Manager. With 16 years' local government expertise working hard for ratepayers, I've served as Deputy Mayor of Joondalup & Perth, including the last 5 years as your local Councillor.

I've worked hard to: Restore good governance to our capital city; Establish a Ratepayer Budget Forum; Deliver free parking & community events; Enhance community safety & security; & Advocate for the **lowest rates increases** in WA.

My **priorities** are to: Increase CCTV & lighting; Deliver the Claisebrook Cove redevelopment, a new sport & rec hub, James Street upgrade, & new cycle paths; Increase sponsorship for events to make Perth more vibrant; & Expand the tree canopy to green the city.

I'm committed to continuing my strong track record of improving the liveability of our city and I seek your support to be **re-elected** as your voice for our community.
