Five years ago, you placed your trust in me to serve as your City of Perth Councillor. Since then, I have worked to **listen, engage and deliver outcomes** that strengthen our community. From supporting neighbourhood groups through the Community Insurance Grant to backing local events and arts via the Activation Grants.

I've been proud to help empower residents and foster a more vibrant, connected city. I've supported sustainability initiatives to make homes more **energy efficient and championed planning projects** like Elizabeth Quay and City Link that shape Perth's future.

With my previous role as a State Trauma Registrar and my continued service as a family doctor; I am **socially invested** in Perth rather than tied to business interests.

Together with ***Clyde Bevan, Jason (Naijiao) Bo, Chris Patton and Dragana Flynn***, I stand for a council that cares, committed to compassion, and a stronger, **healthier Perth**.

Our focus will be **safety, inclusion and wellbeing**.
