A Perth that is safe, vibrant, and inclusive doesn't happen by accident. It takes **fresh energy, future-focused thinking, and real representation.**

Too often, the voices of the future are left out of the conversation. The world is changing fast, and our generation lives at the centre of that change.

I bring more than youth to this election. Born and raised in Perth, I'm proud of both my Australian and Chinese culture, and **I deeply value community.** I have been active in **cultural organisations to youth programs, volunteering, and grassroots campaigns.**

I'm currently studying **Business Law at UWA**, equipping me with the skills to navigate complex decisions and advocate effectively.

With your support, and your support for Bruce Reynolds for Mayor, we'll bring new energy, inclusivity, and a strong community voice to Council. And together, we can make Perth **safe, vibrant, and future-ready.**
