Election type	Ordinary

People are tired of slick slogans but **no real solutions.**

It's time councillors stopped pretending to be politicians – flying business class overseas, costing **you** hundreds of thousands – and **got back to basics.**

Too many don't even live in our City. If your residence isn't here, how can you represent us?

I'm from Perth, for Perth. I've been a Business Owner, Broadcaster, Airplane Pilot, Treasurer, Chairman – and now I'm ready to serve on Council with **independence and commitment.**

On the *West Perth Local* executive committee I **pushed for better lighting and CCTV.**

I stood with neighbours and the *East Perth Action Group* to demand action on anti-social behaviour at Wellington Square - **when most councillors voted practical solutions down.**

I'll keep defending our City's heritage, **especially Langley Park,** and **will push back against the Burswood Racetrack.**

I'm **proudly supporting Catherine Lezer for Lord Mayor** and **not affiliated with any political party.**

No spin. No waste. Just action.
