Ballot paper name	PATTON, Chris
Candidate name	Christopher PATTON
District	City of Perth
Nominating for	Councillor for City of Perth
Election type	Ordinary
Enrolment status	PATTON, Chris is eligible to stand for election as a resident of the City of Perth.

Perth is a city of **extraordinary potential** - our river, skyline and people make it a place worth celebrating. Yet too often, residents and businesses feel **disconnected from council** and let down by unsafe streets, vacant shopfronts and missed opportunities.

We need to restore confidence and unlock Perth's future with **leadership that acts**.

I've built businesses here and worked alongside local communities. On council, my focus will be practical: safer streets with **better lighting**, more **visible ranger patrols**, stronger **partnerships with police** and neighbourhood groups, and support for small businesses through accessible grants that encourage vibrancy.

By supporting **Jason (Naijiao) Bo** and **Dave Lee**, I know we can build a council that is transparent, inclusive and focused on results - not politics.

I ask for your support to deliver a council that listens, acts and delivers on **restoring trust, creating opportunity and bringing people together** to make our city truly shine.
