As Acting Lord Mayor,

I'm delivering results, stability, progress and a record of getting things done for Perth.

I delivered a record \$313 million budget investing in Perth's future, led our largest community safety forum to keep streets safe, built momentum on major projects like the East Perth Sport Hub and James Street upgrade, and **strengthened partnerships with State Government.**

My family has called Perth home since 1829. I've built businesses here, raised my family here, and for more than 30 years volunteered through Rotary, community groups & charities.

I bring experience as a successful businessman and a proven record of service grounded in teamwork, common sense and reliable leadership.

My vision is for Perth to be the safest and most vibrant capital city in Australia a place where residents, businesses and visitors thrive.

Perth deserves steady hands, clear vision and leadership you can trust.

Together, let's keep our city on the right track.
